REPORT
OF THE
UNDER SECRETARY OF STATE.

To the Honourable

LOUIS CODERRE, K.C., LL.B.,
Secretary of State of Canada.

SIR,—I have the honour to submit to you a statement of the work of the Correspondence Branch of the Department of the Secretary of State for the year ended March 31, 1914.

INCORPORATION OF COMPANIES.

The number of charters, including supplementary charters, issued under the Companies Act during the fiscal year, 1913-14 was 758 as compared with 939 in the last previous year. The total capitalization of new companies was \$261,708,566.65, and the capitalization of existing companies was increased by \$63,599,003, the whole amounting to \$425,307,569.65, as compared with \$680,762,199.98 in 1912-13.

Particulars as to the capital stock, etc., of the companies incorporated or granted Supplementary Letter Patent during the twelve months, together with the date, etc., of the *Canada Gazette* in which the object and powers are set forth, will be found in my report of the work of the Registrar's Branch of the Department.

NATURALIZATION OF ALIENS.

In my report as Deputy Registrar General above referred to, full particulars are given of all naturalizations effected throughout the Dominion for the twelve months since the date of the last return, viz., to December 31, 1912. Complete returns showing the names, place of residence, and former nationalities of all Canadian naturalized subjects of His Majesty are tabulated and recorded in the Registrar's Branch of the department, and are always available for reference.

The payments to the court officers, charged with the making of naturalization returns, details of which will be found in the report of the Auditor General, amounted to \$5,912.16. All the correspondence in connection with the returns and all the accounts for the same were dealt with in this branch.

CANADA TEMPERANCE ACT.

During the past year votes were taken under this Act in the counties of Peel, Huron, and Welland, Ontario. The Act was carried in Peel and Huron. The result of the vote in Welland has not yet been reported to the Department, an injunction

having been granted by the Court restraining the Returning Officer from making a return. Votes will shortly be taken in the counties of Kings, Hants, Pictou and Cumberland, Nova Scotia, upon petitions for the repeal of the Act, and in Muskoka, Ontario, for bringing it into force. At this date the Act is in force in the following counties and cities:—

Ontario.

Counties of Peel and Huron and district of Manitoulin.

Quebec.

City of Thetford Mines.

Nova Scotia.

Counties of Annapolis, Cumberland, Digby, Guys-borough, Hants, Kings, Pictou, Queens, Shelburne and Yarmouth.

New Brunswick.

Counties of Albert, Carleton, Charlotte, Kings, Northumberland, Queens, Sunbury, Westmorland and York, and city of Fredericton.

Manitoba.

Lisgar and Marquette.

The Act is not in force anywhere in any of the other provinces or territories

GENERAL.

The library continues to be used by the various departments, by the public and by the staff of this department. Want of space unfortunately prevents a proper classification being made of the publications and they are consequently not arranged in a satisfactory order.

My report of the work done in the Registrar's Branch of the department follows this. In addition to the list of charters of incorporation and supplementary charters, and the returns of naturalization already mentioned, it contains a list of all boards of trade registered in the department, trade unions, loan companies, licenses granted to British and foreign companies, commissions issued to public officers, and other useful information.

The synopsis of returns to addresses and orders passed by the Senate and House of Commons of Canada during the session of 1914, received and prepared by the department, and presented through the Secretary of State, will be found in Appendix A.

The Civil Service List of Canada for the year 1914, showing the names, dates of appointments, and promotion, ages and salaries of all persons permanently employed in the several departments of the service and the two Houses of Parliament on April 1, 1914, is now in course of preparation.

I have pleasure in expressing my satisfaction with the manner in which the staff of the department have performed their duties during the year.

I have the honour to be, sir,

Your obedient servant,

THOMAS MULVEY,

Under Secretary of State.

OTTAWA, April 1, 1914.

PART I.

ELIGIBILITY.

Who eligible.

6. The Governor in Council may grant a superannuation allowance not exceeding the allowance hereinafter authorized to any person who has served in an established capacity in the Civil Service for ten years or upwards, and who has attained the age of sixty years or become incapacitated by bodily infirmity from properly performing his duties. Service before Confederation to be counted.

7. Service in an established capacity in any of the departments of the executive government or offices of the legislature of any of the provinces, now included in the Dominion of Canada, before such province became a portion thereof, by any person who thereafter entered the Civil Service, shall be reckoned in computing his period of service for the purposes of this Act. ALLOWANCES AND GRATUITIES.

11. The superannuation allowance hereinbefore mentioned shall be calculated upon the average yearly salary, during the last three years of service, of the person to whom such allowance is to be made, and shall not exceed, if such person has served for ten years, but less than eleven years, an annual allowance of ten-fiftieths of such average salary, and, if he has served for eleven years but less than twelve years, an annual allowance of eleven-fiftieths thereof, and in like manner a further addition of one-fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five-fiftieths may be granted, but no addition shall be made for any service beyond thirty-five years. Rates of allowances.

2. In computing the number of years of service for the purposes of this section, if the actual period of service includes a fraction of a year, the fraction, if equal to or greater than one-half, shall be counted as a full year's service. R.S., c. 18, s. 3; 3 E. VII., c. 10, s. 1. Fraction of one-half or more equal to one year.

12. The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years of service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the order in council made in the case, and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed. R.S., c. 18, s. 4. Ten years may be added.

tion if
retirement
compulsory.

Limited.
